

Bootstrap Moodle Task

1. Chat Page

In this assignment, let's build a Chat Page by applying the concepts we learned till now. Refer to the below image.

Note:

Try to achieve the design as close as possible.

Resources

Use this background image,

URL: <https://d1tgh8fmlzexmh.cloudfront.net/ccbp-static-website/chatbg.png>

CSS Colors used:

Text color Hex Code value:

#ffffff

Background color Hex Code value for heading:

#323f4b

Background color Hex Code values for Chat messages:

#47a3f3

#52606d

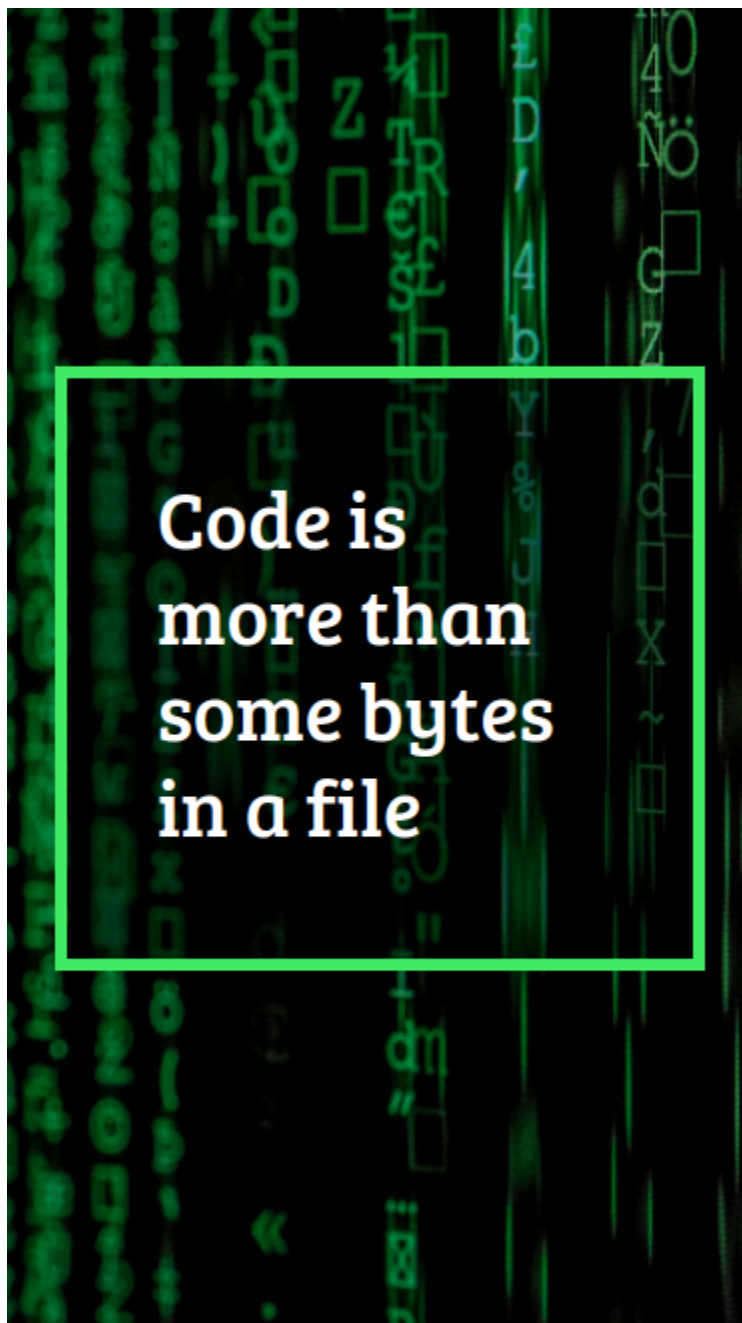

CSS Font families used:

Roboto

2. Coding Cover Page

In this assignment, let's build a Coding Cover Page by applying the Bootstrap concepts we learned till now.

Refer to the below image.

Note:

Try to achieve the design as close as possible.

Resources

Use this background image,

URL: <https://d1tgh8fmlzexmh.cloudfront.net/ccbp-static-website/codingbg.png>

CSS Colors used:

Background color Hex Code value for card:

#00000080

Border color Hex Code value for card:

#48ee59

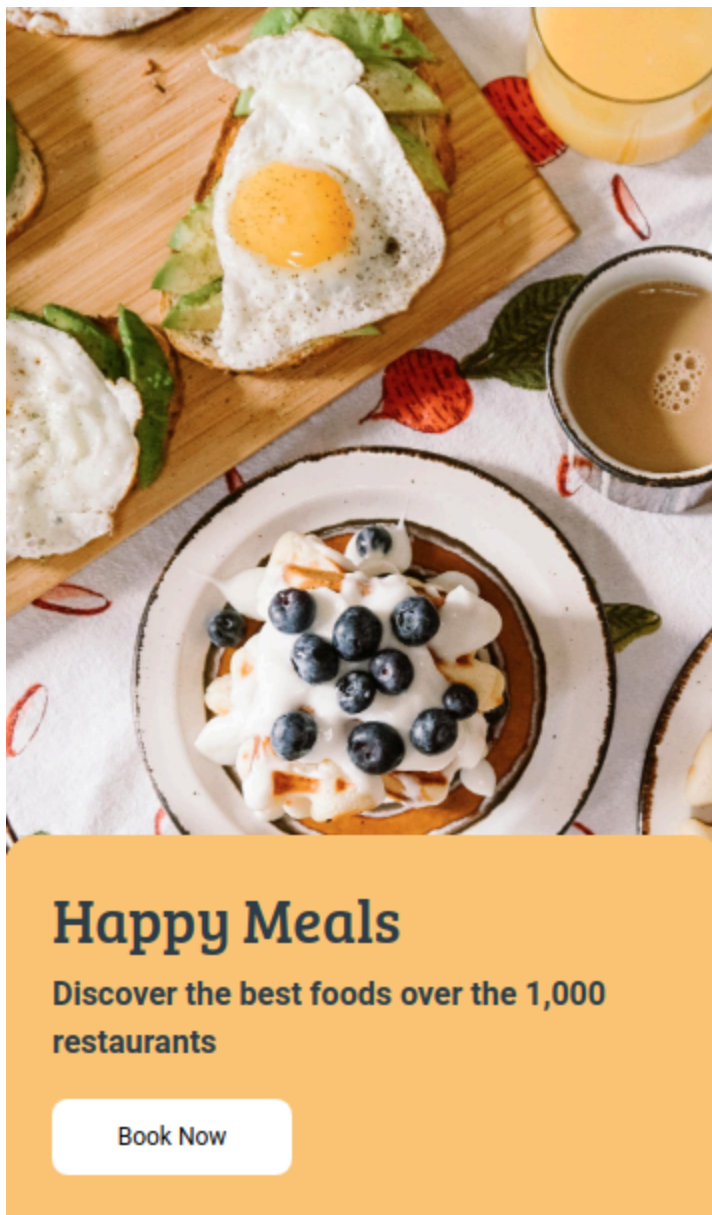

CSS Font families used:

Bree Serif

3. Food Order Page

In this assignment, let's build a Food Order Page by applying the Bootstrap concepts we learned till now

Refer to the below image.

Note:

Try to achieve the design as close as possible.

Resources

Use this background image,

URL: <https://d1tgh8fmlzexmh.cloudfront.net/ccbp-static-website/foodbg.png>

CSS Colors used:

Background color Hex Code value for card:

#f6c56e

Background color Hex Code value for Button:

#ffffff

Text color Hex code value:

#323f4b

CSS Font families used:

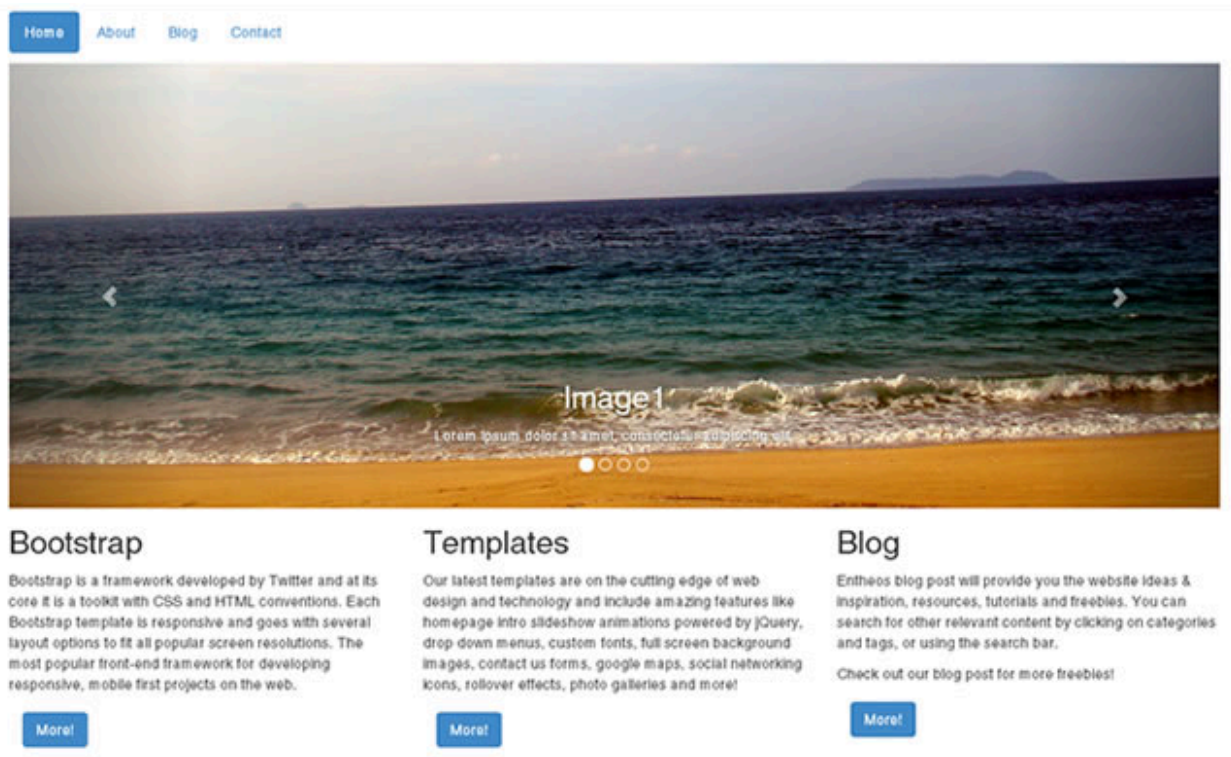

Main Heading

Bree Serif

Paragraph and Button

Roboto

11. Goa Page

In this assignment, let's build a Goa Page by applying the concepts we learned till now. You can use the Bootstrap concepts as well. Refer to the below image.

About

Goa is known for its striking landscape, famous beaches in India, astounding monuments and churches and bustling Goa nightlife. Goa is one of the most visited tourist places in India, especially on weekends, as it is not very far from Mumbai and having Panaji as its capital and Vasco da Gama as the largest city. It attracts a large number of tourists from all over the world, round the year.
